

MEMORANDUM

TO: Pat Seppi

DATE: March 20, 2009

RE: Signs and Fences

Michael S. Jacobs

Thank you for sending us a draft possible sign language.

We would ask for the following couple changes:

PUBLIC HEALTH HAZARD

SAND SEDIMENT AND WATER
CONTAMINATED WITH HIGH LEVELS OF LEAD

ACCESS TO THE BEACH AND SEAWALL
LOCATED BEHIND THESE SIGNS IS RESTRICTED

NO SWIMMING
NO SUNBATHING
NO FISHING

ACTIVITIES SUCH AS SITTING ON THE
SEAWALL AND EATING OR DRINKING,
PLAYING IN THE SAND AND/OR
SWIMMING COULD RESULT IN
EXPOSURES TO LEAD WHICH MAY BE
HARMFUL TO THE PUBLIC, ESPECIALLY
CHILDREN AND PREGNANT WOMEN
FOR ADDITIONAL INFORMATION

PLEASE CALL: (Whose number are you looking to place here as the contact?)

In addition we ask that you consider the follow:

1. The existing split rail fence is shown in red. We would propose to install new split rail fencing as shown in blue.
2. In addition we would like to install signs reading:

THIS SECTION OF BEACH CLOSED

Along the fence line in the locations shown in blue boxes, and install your signs (with the above changes if acceptable) in the locations shown in red boxes.

We believe this provides the protection you seek but to the extent possible preserves some of the beauty of our beach front.
